Work Experience

NCI Information Systems

Security Consultant Intern

Reston, VA
May 2020-Aug 2020

- Assisted the removal of unauthorized software on the NCI network
- Helped manage the data loss prevention system overseeing the thousands of corporate workstations
- Scanned the NCI network daily for critical vulnerabilities and assembled results into a report for management
- Performed information access reviews on NCI network drives to confirm user privileges
- Created excel reports that were used to measure NCI controls and NIST/CMMC compliance
- Created tabletop exercises for the security team in order to validate NCI's security response plan

Carefree Boat Club

Dock Hand

Washington, D.C.
May 2019-Aug 2019

- Provided attentive, detailed and personable customer service to members scheduling reservations and when checking boats in and out
- Responsible for thoroughly cleaning boats and manually moving them amongst slips
